SPRING INTO SUMMER BALLET CARNIVAL OF THE ANIMALS

Was performed at the Elkhorn Area High School James Wehner Auditorium on August 15th. This year's "Carnival of the Animals" was based on "The Circus Ship", authored by Chris Van Dusen. Everything from elephants, monkeys and giraffes was represented with some exotics as well (think unicorns and mermaids). Choreography was changed to allow for better social distancing among the performers and measures were taken to socially distance and protect the audience as well. All audience members were asked to wear a mask in the theatre.

Many thanks to Kunes Country for donating masks for our performers to use backstage.

Thank You to our Summer Intensive Teachers!

Call us at 262-723-1700.**

**TOE TO TOE BALLET SCHOOL'S
COVID-19 PLAN is PHASE 2 ALL YEAR!**

Following state and CDC guidelines, we are taking team and student temperatures with our new wand thermometers. All students are required to wear a mask, to use the new touchless hand sanitizer machines in the classroom before and after class. All classroom floors have been marked with lines 6 feet apart and colored "x's" for students also 6 feet apart. Class sizes are strictly limited to adhere to safety recommendations

While we regret having to close our lobby to the parents and other family members with whom we enjoy visiting, we count it a small price to pay to allow our students to once again take in person classes. There are never more than 25 people in our building at a time, well under the 50+ we are allowed.

For those who are unable to attend in person or are sick, most classes will be zoomed out so everyone can continue to learn and dance regardless of their circumstances. Special zoom classes for those ages 2 - 4 and 5 - 8 will also be held. PLEASE STAY HOME IF YOU ARE SICK, there are no make up classes, but the zoom links are available to you.

The dancers are happy to be back in the studio dancing with their friends and the teachers who love them.
